

# 2023 HOPE MAGAZINE

All proceeds through advertisement sales will support Family Transition Place's (FTP's) critical work in providing safety, support and hope for women who have experienced abuse and/or homelessness in the Dufferin and Caledon communities.

FTP relies on community support through donations and sponsorships to ensure its programs maintain their high standard of excellence and that our Youth Education programs continue to be delivered to the youth and communities of Caledon and Dufferin.

## About

This year's issue will be the seventh edition of FTP's HOPE magazine—a full-colour, high-quality publication. As with past editions, this year's HOPE magazine will not only feature stories of hope, but will include inspiring perspectives on change and resilience.

Your full-colour advertisement will showcase your business to a wide demographic audience and also provide much-needed support for your local women's shelter serving many women and their families in the Dufferin and Caledon communities.

This publication will be distributed to participating businesses throughout the Dufferin and Caledon area, as well as at this year's *Heidi's Walk for Hope* event, where we expect to host over 200 guests. The publication will also be available digitally and distributed online to our entire stakeholder and partner database.
